SCHEDULE OF ENDORSEMENTS

Attached to and forming part of the Certificate of Insurance

Dec No. ICW2022/2022/ICW42464/001

SECTION 1 - THE BUILDING PERIOD (COVER PRIOR TO COMPLETION)

Section 1 is excluded from cover.

SECTION 2 - DEFECTS INSURANCE

The limit for all Residential Properties in one continuous structure is £20,000,000 and for a single Residential Property is £2,500,000 or the Reinstatement Value for the Residential Properties, whichever is the lesser, however where the Sum Insured exceeds the limit for a single residential property, the Sum Insured figure shall apply.

Where the combined value of all Residential Properties within a continuous Structure or on a Site exceeds £20,000,000 the total amount payable in respect of all claims in relation to the Residential Properties, the Site and the continuous Structure shall not exceed £20,000,000.

SECTION 3 - STRUCTURAL INSURANCE

The limit for all Residential Properties in one continuous structure is £20,000,000 and for a single Residential Property is £2,500,000 or the Reinstatement Value for the Residential Property(s), whichever is the lesser, however where the Sum Insured exceeds the limit for a single residential property, the Sum Insured figure shall apply.

Where the combined value of all Residential Properties within a continuous Structure or on a Site exceeds £20,000,000 the total amount payable in respect of all claims in relation to the Residential Properties, the Site and the continuous Structure shall not exceed £20,000,000.

SECTION 4 - CONTAMINATED LAND

£1,000,000 for any one Residential Property or the Reinstatement Value for the Residential Property, whichever is the lesser.

SECTION 5 - NON-COMPLIANCE WITH BUILDING REGULATIONS

Section 5 is excluded from cover.

INDEXATION

The Limit of Indemnity and Excess referred to within the Certificate of Insurance will be increased in line with the Royal Institution of Chartered Surveyors' House Re-Building Cost index on each anniversary of the period of insurance for Sections 2, 3, 4 and 5 of this Policy.

ENDORSEMENT DETAILS

Damage caused to the Residential Property due to the presence of lignite or pyrites either in the ground material or building materials are excluded from cover.

Damage caused to the Residential Property due to mining is excluded from cover.

Paths, driveways, patios, alarm systems, fireplace inserts and fireplace surrounds are excluded from cover.

Floor, wall and ceiling finishes are excluded from cover.

Differential movement, shrinkage and failure to install external render as per manufacturers guidelines is excluded from cover

Any additional Building works that were not included in the original plans presented at the time of quotation will be excluded from this policy, this includes extensions, garages and outbuildings.
